DuPage Water Commission  
600 E. Butterfield Road, Elmhurst, Illinois

November 17, 2022

Commissioner Broda called the meeting to order at 6:18 PM.

Commissioners in attendance: J. Broda, K. Rush, J. Zay

Commissioners absent: P. Gustin, J. Healy

Also in attendance: P. May, D. Mundall

Commissioner Broda moved to approve the Minutes of the October 20, 2022 Administration Committee Meeting, seconded by Commissioner Rush, unanimously approved by a voice vote. All aye, motion carried.

Chairman Zay made a motion to approve Ordinance O-4-22, an Ordinance approving and authorizing the execution of a Water Purchase and Sale Agreement between the DuPage Water Commission and Aqua Illinois for the Aqua Illinois-Oak Brook Unit System and an interim water supply agreement between the DuPage Water Commission and the Village of Oak Brook and Aqua Illinois.

General Manager Paul May gave an overview of the Ordinance. Contracts, agreements, and buy in fees are established. A brief discussion took place with General Manager May addressing all questions and concerns raised by the Commissioners. Commissioner Rush had questions regarding the ICC signoff, as well as water rates. General Manager May assured the committee that the ICC and the IDNR approvals are addressed in the contract between Aqua and Oakbrook, which the DWC is not a direct party to – nonetheless DWC has been engaged in the review of the document. Chairman Zay thanked General Manager May and staff for their guidance and hard work on this project to date. The motion was seconded by Commissioner Rush, unanimously approved by a voice vote. All aye, motion carried.

Commissioner Rush made a motion to approve Resolution R-68-22, a Resolution approving employee insurance benefits for the plan year 2023 beginning January 1, 2023 and ending December 31, 2023. Chairman Zay seconded the motion, unanimously approved by a voice vote. All aye, motion carried.

Chairman Zay made a motion to approve Resolution R-74-22, a Resolution authorizing and ratifying the disposal of certain personal property owned by the DuPage Water Commission. Seconded by Commissioner Rush, unanimously approved by a voice vote. All aye, motion carried.

Chairman Zay made a motion to approve the Request for Board Action to suspend the purchasing procedures of the Commissioner's By-Laws and authorize the General Manager to approve Requisition No. 74964 in the amount of approximately \$51,000.00 to Hexagon (formerly INFOR). The motion was seconded by Commissioner Rush, unanimously approved by a voice vote. All aye, motion carried.

Commissioner Rush made a motion to approve the Request for Board Action to approve the 2023 schedule of meetings. Chairman Zay seconded the motion, unanimously approved by a voice vote. All aye, motion carried.

No Old Business was offered.

No New Business was offered.

General Manager May began discussion on the COVID/infection disease sick leave policy. Effective, Monday, November 21, 2022, the Commission's normal attendance and leave policies will resume. Any employee who believes they may have an infectious disease or tests positive for an infectious disease (including COVID) will utilize the Commission's Paid Sick Leave policy and any available sick or vacation accrued balance for any absence resulting from an infectious disease.

Review of document procedures discussion began with General Manager May updating the Committee on changes to the ongoing procedures. The current contract for scanning documents cost to the Commission is nearly \$200,000.00, is being put on hold. The State Archivist was brought in to consult with our Document Management Specialist to provide a path forward, and he suggested reviewing the procedures before continuing.

The purchase of a new vehicle was discussed, and the scarcity of vehicles was brought forward. General Manager May noted that the cost for a previously approved Ford Explorer purchase had increased \$1,700 since the time of approval, but that he recommended proceeding with the purchase. Chairman Zay instructed General Manager May to move forward quickly with the Explorer, as well as with any other planned vehicle purchases to limit the impact of cost increases.

Commissioner Broda made a motion to adjourn the meeting, seconded by Commissioner Rush. Unanimously approved by a voice vote.

Meeting was adjourned at 6:32 PM.

## REQUEST FOR BOARD ACTION

**Date:** 1/6/2023

**Description:** A Resolution Suspending the Purchasing Procedures and Authorizing the Execution of a Consulting Agreement with ITSavvy LLC for IT Network Managed Services

**Agenda Section:** Administration Committee

**Originating Department:** Administration

---

Resolution No. R-3-23 would approve a Consulting and Network Management Service Agreement with ITSavvy LLC for Information Technology (IT) Managed and Consulting Services in connection with the Commission Servers, Firewall, Switches, SAN, Backup System & Cloud Storage, Wireless Network, Cyber Security, and other IT projects that may arise.

The Commission relies heavily on technology to operate in the most efficient manner. The Commission's Information Technology needs continue to grow, and with current cyber security concerns, it is imperative to have subject matter experts available to assist staff. The Commission has utilized IT consulting services to provide both remote monitoring and on-call service to allow the Commission to continue operating at the highest level of efficiency and security.

The Commission has maintained a consulting agreement with IT Savvy LLC for the past six years. Commission staff periodically meet with other vendors that offer similar support and feel that ITSavvy LLC is providing a valuable service that matches or exceeds other vendors in the market. ITSavvy has performed well in supporting our IT Department in the maintenance and advancement of the network environment.

Commission staff recommends the renewal of ITSavvy's managed services for an additional year and the execution of a one-year agreement with IT Savvy LLC in the amount of \$4,524.90 per month or \$54,298.80 annually for Consulting and Network Management Services.

# Executive Summary

Information Technology is a crucial part of any business. DuPage Water Commission understands the challenges of monitoring and maintaining important IT infrastructure equipment. Keeping this infrastructure online, up to date and secure is critical to a continuous and efficient flow of processes.

ITsavvy is proposing renewing DuPage Water Commission savvyGuard contract, a flexible Managed Services offering to address the operational, and technological challenges of keeping its end users supported and updated. Moving these challenges to ITsavvy will ensure efficient device management and 100% availability. Partnering with ITsavvy significantly reduces the amount of time it takes from initial investigation of a problem to a resolution.

ITsavvy is a highly reliable Managed Services Provider that puts your infrastructure under expert care. ITsavvy's team of certified engineers monitor your network 24/7/365. Our Network Operations Center (NOC) leverages industry leading technology and expertise and provides several valuable benefits:

- Elimination of mundane support tasks freeing up resources to focus on higher-valued tasks
- Enhanced end user experience through reliable and comprehensive Help Desk Services
- Scalability and flexibility to meet future demands
- 24/7/365 availability
- Predictable monthly costs

# Solution Overview

ITSavvy recommends the following solution to provide the desired level of services:

- savvyGuard NOC Managing and Monitoring Services

## Monitored Devices

This proposal is based on information obtained from present contract with two changes that client requested below:

1. Removal of the Internet Link Monitoring Plus ISP Vendor Escalation line item
2. Reduce the quantity of Server monitoring from 18 to 12

savvyGuard NOC Services providing Network Monitoring & Remediation for the following:

- 1 x savvyGuard NOC Act Remote Monitor/Manage - Backup Application - Up to 5 Targets
- 35 x savvyGuard NOC Act Remote Monitor/Manage – Desktop
- 1 x savvyGuard NOC Act Remote Monitor/Manage - Closet Based Router
- 4 x savvyGuard NOC Act Remote Monitor/Manage - Storage - Each Controller
- 12 x savvyGuard NOC Act Remote Monitor/Manage – Server
- 5 x savvyGuard NOC Act Remote Monitor/Manage - Closet Based Switch
- 3 x savvyGuard NOC Act Remote/Manage - Virtual Host
- 18 x savvyGuard NOC Act Remote Monitor/Manage - Wireless Access Point
- 1 x savvyGuard NOC Act Remote Monitor/Manage – Firewall
- 34 x 3rd Party Application Updates Per Desktop
- 1 x Administrative Fee

## savvyGuard Managed NOC Services

For monitoring, management and support of your organization’s most critical assets, ITSavvy proposes to implement savvyGuard NOC Act 24x7 managed services for a term of 36 months.

savvyGuard NOC services provide continuous infrastructure monitoring using the most powerful Professional Services and Automation (PSA) and Remote Monitoring and Management (RMM) tools in the industry. savvyGuard’s NOC Act provides full off-site managed services for round-the-clock monitoring and

management of a client’s infrastructure. Our in-house, New York-based, vendor-certified technical support team will troubleshoot, remediate and report all issues and events, 24x7x365. savvyGuard’s NOC personnel review incoming alerts and log files to quickly identify an issue and remediate a problem. If resolution is not possible, the problem will automatically be deployed to the Tier 3 support or ISP vendor for resolution. No action will be required on the client’s part.

#### Solution Benefits

- Predictable Low Cost
- Scalability
- 24/7 Support
- Preventative, proactive approach to prevent common issues
- Proven Experts acting as partners for in-house IT team
- Minimized downtime with reduced impact from service interruptions

#### Business Value Gained

- Reduced Costs
- Reliable Budget
- Scalable and Flexible Platform
- Peace of Mind

#### Integration Dependencies

The following assumptions are to ensure optimal supportability of the IT environment

- All IT infrastructure to be under manufacturer support
- End-of-Life devices not part of the coverage and fall under “Best Effort” support only
- Windows Desktops are running the latest Operating Systems(currently Windows 10)
- ITsavvy will provide a phone number unique to Water Lilies Food, LLC for Help Desk services
- Onsite support is NOT part of this proposal and subject to further discussion about potential staff augmentation services

#### Additional Considerations

- Backup Management is based on existing N-able platform; Does not include restore testing
- Mobile Device assistance is not included in proposal.

#### Client Engagement Team

Client Executive (CE) – Manages the overall business relationship with the client, guides and manages the sales process of recommended solutions or product purchases to close and acts as the primary liaison between the client and ITsavvy. Works closely with the account’s Client Technology Manager and Operations Management to ensure that technology management program is being followed, support engagements are being performed properly and on time and that client satisfaction is being met or exceeded. Attends Quarterly Business Reviews with the Client Technology Manager to facilitate client communications and strengthen business relationships.

**vCIO** – Serves as the client’s virtual IT Director. Responsible for the supervision, management, and advisement of all technology at the client account. Matches business requirements to proper technologies, ensures that the client’s network is continually supportable, secure, properly sized and designed. Works closely with the Client Executive to ensure proper client communications, executes Monthly Systems Assessments and Quarterly Business Reviews. Assigned as the primary technical resource to the managed services account. Serves as subject matter expert on client’s networking, client/server and application environments. Performs or oversees required network administration. Serves as lead engineer on all implementation projects at assigned accounts. Works closely with the CE to ensure that the client’s annual technology plan is executed and solutions are properly assessed, designed and implemented.

# Project Management Plan

In addition to the proposed technical solutions, ITsavvy provides detailed project management services with all client engagement activities. Project management activities will include a pro-active communications plan, a dedicated Project Manager to manage and monitor the schedule and resources, and a single point of contact for all project related activities.

## Project Initiation and Planning

Prior to the project execution, the Project Manager will work with the client to determine and document the following:

- Requirements and activities related to project execution. These will be documented and reviewed with the client to validate the scope and assign tasks to the client and vendor resources.
- Risks related to the project and resources. A risk action plan will be developed which will include probability, potential impact to project activities, and a mitigation strategy to address all risks that come to fruition during project execution.
- Project Work Breakdown Schedule of activities based on the client's requirements and resource availability.

## Project Execution

- Project execution will commence according to the project schedule and when all prerequisite activities and/or resources are identified and in place.
- System testing will occur as part of the project execution activities and will serve as a baseline for determining additional project activities and/or project closure.

## Project Monitoring and Control

Project monitoring will occur throughout the duration of the project, and the Project Manager will take the required action on the following items when/if they occur:

- Project delays – will be addressed with the client and assigned resources to determine the best course of action (i.e., schedule re-evaluation, resource additions, and critical path evaluation)
- Project scope control – project scope creep will be addressed with the project sponsor and a resolution will be determined to avoid schedule delays and cost overages.

## Project Closure

- Project closure will occur when all tasks and activities have been completed to the satisfaction of the client.
- Documented client acceptance of the project will be required in the form of a signed Project Acceptance and Closure document to be delivered to the client by the Project Manager upon completion.

### SUPPORT/SERVICE REQUESTS.

To submit a service request, the Client can contact ITsavvy support via email at [servicedesk@ITSavvy.com](mailto:servicedesk@ITSavvy.com), by calling the Helpdesk using their assigned phone number if provided or using the installed desktop icon.

Each service request will be assigned a ticket number for tracking (T20XX.XXXX.XXXX). ITsavvy shall respond to each ticket, according to such procedures it may establish from time to time and according to the response periods set forth below and will provide the support as described in the Signed Proposal.

If during the ITsavvy escalation efforts, a third-party involvement is required, ITsavvy’s escalation matrix, no longer applies to that ticket. If a vendor/third party provides support services in addition to those provided by ITsavvy, ITsavvy will adhere to that third parties’ escalation matrix. All covered support services provided by ITsavvy and/or third party, shall be “Support Services.” All Support Services provided by ITsavvy and/or third party, during ITsavvy’s published regular service hours are included in the listed monthly charges. Support Services provided outside the regular service hours (or on weekend or public holidays), or outside listed monthly charges, constitute Additional Services. If Client requests on-site Support Services, Client must provide ITsavvy access to Client’s facility and equipment and ensure that a representative of the Client is always available during which the Support Services are being provided. In the event Client requests on-site Support Services during normal business hours and no problem is found or reproduced, such Support Services also shall be deemed Additional Services, and Client shall pay ITsavvy for such Additional Services.
