

## Glen Ellyn Public Library Reads for SCARCE

Date: June 20, 2018

This summer from May 29<sup>th</sup> through September 2<sup>nd</sup>, [Glen Ellyn Public Library](#) challenges kids to read for 70,000 hours and adults to read 4,000 books. If the community reaches this goal, the [Friends of the Glen Ellyn Public Library](#) and the [Glen Ellyn Library Foundation](#) have each pledged funds to purchase 2,000 books, which [SCARCE](#) (School & Community Assistance for Recycling and Composting Education) will distribute during the [DuPage County Back to School Fair](#) in August.

During these summer months, rain barrels will be on parade at the library including [DuPage Water Commission's](#) very own updated rain barrel display. Also throughout the library, information can be found on where to purchase rain barrels, watersheds, and ways to conserve water.

There will also be various events where children, teens, adults, and families can learn how to conserve water, upcycle items, compost, and more.

See below for DWC's rain barrel display at the library.
