DUPAGE WATER COMMISSION

ORDINANCE NO. O-2-12

AN ORDINANCE REQUESTING THE INTERGOVERNMENTAL
TRANSFER OF EASEMENT RIGHTS FOR THE DUPAGE COUNTY STEEPLE RUN
METERING STATION MS-9C SITE AND AUTHORIZING THE EXECUTION OF THE
DUPAGE COUNTY STEEPLE RUN METERING STATION EASEMENT AGREEMENT

WHEREAS, the Commission was formed and exists pursuant to Division 135 of Article 11 of the Illinois Municipal Code, 65 ILCS 5/11-135-1 et seq., and the Water Commission Act of 1985, 70 ILCS 3720/0.01 et seq., for the purposes of securing an adequate source and supply of water for its customers; and

WHEREAS, the Commission operates a water system supplying a number of municipalities and other customers in DuPage County with water drawn from Lake Michigan (the "Commission Waterworks System"); and

WHEREAS, the County of DuPage (the "County") owns and operates a waterworks system serving several discrete and non-contiguous service areas (the "DuPage County Unit System"); and

WHEREAS, the Commission and the County have entered into a certain Water Purchase and Sale Contract dated as of July 13, 2006, for the sale by the Commission of Lake Michigan water to the County to serve the various discrete and non-contiguous service areas served by the DuPage County Unit System from time to time, including the service area known as the Steeple Run Service Area (the "DuPage County Contract"); and

WHEREAS, pursuant to Ordinance No. O-11-11, adopted June 23, 2011, the County and the Commission entered into an intergovernmental agreement to provide for the Commission to design and construct within unimproved public right-of-way the

Ordinance No. O-2-12

County's Pressure Adjusting Station for the Steeple Run Service Area as a joint facility with the Commission's Metering Station for the Steeple Run Service Area (the "Steeple Run Joint Facility Agreement"); and

WHEREAS, the DuPage County Contract, as supplemented by the Steeple Run Joint Facility Agreement, provides that the Commission is to furnish, install, own, operate, maintain, and repair certain equipment and devices, together with certain structures and portions of its water distribution main, including underground feeder pipe lines and related equipment, for properly conveying and measuring the quantity of Lake Michigan water delivered by the Commission to the County at the connection point for the Steeple Run Service Area provided for under the Steeple Run Joint Facility Agreement, and all antennas, masts, and appurtenant facilities for the Commission's Supervisory Control and Data Acquisition Instrumentation System attributable to the Steeple Run Service Area, all remote telemetry units needed solely for communication between Commission facilities attributable to the Steeple Run Service Area, all electrical systems, including panels, conduits, raceways, duct banks, and utility services, needed solely for the operation of Commission facilities attributable to the Steeple Run Service Area, and all drainage systems, including drain pipes and structures, needed solely for the drainage of Commission facilities and property attributable to the Steeple Run Service Area, all as such facilities may be relocated, replaced, extended, or improved from time to time (collectively referred to as the "Steeple Run Metering Station"); and

WHEREAS, the Steeple Run Joint Facility Agreement provides that the Steeple Run Metering Station is to be located at a site selected and provided by the County, subject to review and approval by the Commission; and

Ordinance No. O-2-12

WHEREAS, the County has selected the site legally described in Exhibit 1 to Exhibit A attached hereto (the "Steeple Run Metering Station Easement Premises") for the location of the Steeple Run Metering Station; and

WHEREAS, the Steeple Run Metering Station Easement Premises are located in unimproved public right-of-way and the Lisle Township Road District, the road district of Lisle Township (the "Road District"), is the owner of the Steeple Run Metering Station Easement Premises; and

WHEREAS, the Commission has determined that it will be necessary and convenient for it to use, occupy, and improve the Steeple Run Metering Station Easement Premises for the aforesaid public purpose of acquiring and operating its Waterworks System, and, in particular, to construct, furnish, install, own, operate, maintain, test, inspect, remove, repair, and replace the Steeple Run Metering Station; and

WHEREAS, the territory of the Commission is partly within and partly without the corporate limits of the Road District; and

WHEREAS, the Road District desires to grant, convey, warrant, and dedicate to the Commission a perpetual easement for such purposes at, in, under, and upon the Steeple Run Metering Station Easement Premises, and the Commission is willing to accept such easement, pursuant to the authority conferred by the Local Government Property Transfer Act, 50 ILCS 605/0.01 et seq. and other applicable authority; and

WHEREAS, the Road District is willing to grant to the Commission a perpetual easement for such purposes in consideration of the sum of Ten Dollars (\$10.00);

Ordinance No. O-2-12

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners of the DuPage Water Commission as follows:

SECTION ONE: The foregoing recitals are hereby incorporated herein as findings of the Board of Commissioners of the DuPage Water Commission.

SECTION TWO: An Easement Agreement by and between the Commission and the Road District, in the form attached hereto and by this reference incorporated herein and made a part hereof as Exhibit A, shall be and it hereby is approved subject to satisfaction of the conditions precedent to execution and attestation set forth in Section Three below.

SECTION THREE: The General Manager and the Clerk of the DuPage Water Commission shall be and they hereby are authorized to execute and attest, respectively, an Easement Agreement with the Road District in the form attached hereto as Exhibit A; provided, however, that they shall neither execute nor attest the Easement Agreement on behalf of the Commission unless and until (a) the General Manager shall have been presented with copies of the Easement Agreement executed by the Road District, (b) the General Manager shall have been presented with adequate evidence of merchantable fee simple title to the Steeple Run Metering Station Easement Premises being vested in the Road District, and (c) the General Manager shall have been presented with adequate evidence that the easement rights to be granted and insured to the Commission are free and clear of all liens, claims, encumbrances, and restrictions unless otherwise approved by the General Manager.

Ordinance No. O-2-12

SECTION FOUR: Upon execution and attestation by the General Manager and the Clerk, respectively, the grant of easement for the Steeple Run Metering Station Easement Premises shall be deemed accepted by the Commission without further act.

SECTION FIVE: This Ordinance shall be in full force and effect from and after its adoption.

**METERING STATION
EASEMENT AGREEMENT**
(DuPage County Steeple Run MS-9C)

THIS EASEMENT AGREEMENT, made and entered into as of this ____ day of _____, 2012, by and between the DUPAGE WATER COMMISSION, a county water commission created and existing under the laws of the State of Illinois (the "Commission") and the LISLE TOWNSHIP ROAD DISTRICT, the road district of LISLE TOWNSHIP, a unit of local government created and existing under the laws of the State of Illinois (the "Owner"),

WITNESSETH:

WHEREAS, the Commission and DuPage County, a unit of local government created and existing under the laws of the State of Illinois and a customer of the Commission (the "Customer") have entered into a certain Water Purchase and Sale Contract, dated as of July 13, 2006 (the "DuPage County Contract"), as supplemented by a certain Intergovernmental Agreement Concerning the Construction and Operation of a Joint Facility for the Steeple Run Service Area, dated as of June 14, 2011 (the "Joint Facility Agreement"); and

WHEREAS, the Joint Facility Agreement provides that the Commission is to furnish, install, own, operate, maintain, and repair certain equipment and devices, together with certain structures and portions of its water distribution main, including underground feeder pipe lines and related equipment, for properly conveying and measuring the quantity of Lake Michigan water delivered by the Commission to the Customer at the connection point for the Steeple Run Service Area provided for under the Joint Facility Agreement, and all antennas, masts, and appurtenant facilities for the Commission's Supervisory Control and Data Acquisition Instrumentation System

attributable to the Steeple Run Service Area, all remote telemetry units needed solely for communication between Commission facilities attributable to the Steeple Run Service Area, all electrical systems, including panels, conduits, raceways, duct banks, and utility services, needed solely for the operation of Commission facilities attributable to the Steeple Run Service Area, and all drainage systems, including drain pipes and structures, needed solely for the drainage of Commission facilities and property attributable to the Steeple Run Service Area, all as such facilities may be relocated, replaced, extended, or improved from time to time (collectively referred to as the "Metering Station"); and

WHEREAS, the Joint Facility Agreement provides that the Metering Station is to be located at a site selected and provided by the Customer, subject to review and approval by the Commission; and

WHEREAS, the Customer has selected the site legally described in Exhibit 1 attached hereto and by this reference incorporated herein and made a part hereof (the "Metering Station Easement Premises") for the location of the Metering Station as generally depicted in Exhibit 2 attached hereto and by this reference incorporated herein and made a part hereof; and

WHEREAS, the Commission has reviewed the Metering Station Easement Premises and approved the same for the location of the Metering Station; and

WHEREAS, the Commission has submitted to the Customer for review the drawings and specifications for the Metering Station; and

WHEREAS, the Easement Premises are located in unimproved public right-of-way and the Owner is the owner of the Easement Premises; and

WHEREAS, the Customer desires that the Commission enter into this Easement Agreement with the Owner in order to provide the Commission with a sufficient property interest in the Metering Station Easement Premises to fulfill the provisions and purpose of the DuPage County Contract, as supplemented by the Joint Facility Agreement; and

WHEREAS, the Commission has duly adopted its Ordinance No. O-2-12, being "An Ordinance Requesting the Intergovernmental Transfer of Easement Rights for the DuPage County Steeple Run Metering Station MS-9C Site and Authorizing the Execution of the DuPage County Steeple Run Metering Station Easement Agreement," pursuant to the Local Government Property Transfer Act, 50 ILCS 605/0.01 et seq.;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in the exercise of their powers and authority under the intergovernmental cooperation provisions of Article VII, Section 10 of the Illinois Constitution of 1970 and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., and other applicable authority, the Commission and the Owner hereby agree as follows:

1. The foregoing recitals are hereby incorporated herein as substantive provisions of this Easement Agreement.

2. The Owner hereby grants, conveys, warrants, and dedicates to the Commission, its successors and assigns, a non-exclusive perpetual easement to construct, furnish, install, own, operate, maintain, test, inspect, remove, repair, and replace the Metering Station at, in, under, and upon the Metering Station Easement Premises, together with all reasonable rights of ingress and egress along or across any adjoining lands of, or under the jurisdiction and control of, the Owner.

3. The Metering Station shall be not located, constructed, or maintained in any manner not in substantial conformity with Exhibit 2 without the express consent of the Owner, which consent shall not be unreasonably withheld.

4. The Commission shall exercise the easement rights hereby granted with due care, and shall not unreasonably interfere with, damage, or harm any Owner property located upon any adjoining lands of Owner.

5. After construction of the Metering Station, the Metering Station Easement Premises shall be restored in accordance with the drawings and specifications for the Metering Station.

6. The Owner hereby reserves the right to use the Metering Station Easement Premises and its adjacent property in any manner that will not prevent or interfere in any way with the exercise by the Commission of the rights granted hereunder; provided, however, that the Owner shall not in any manner disturb, damage, destroy, injure, obstruct, or permit to be obstructed the Metering Station Easement Premises without the express prior written consent of the Commission, nor shall the Owner permanently or temporarily improve, damage, or obstruct the Metering Station Easement Premises in any manner that would impair the exercise by the Commission of the rights hereby granted.

7. The Owner agrees to indemnify and defend the Commission with respect to any and all claims or damages to persons or property which may arise directly from the negligence of the Owner, or its agents or employees, in performing any work on the Metering Station Easement Premises in conjunction with its rights pursuant to Paragraph 6 hereof, and the Commission agrees to indemnify and defend the Owner with respect to any and all claims of damages to persons or property which may arise

directly from the negligence of the Commission, or its agents or employees, in performing any work on the Metering Station Easement Premises in conjunction with its rights pursuant to Paragraphs 2 and 5 hereof. The Owner shall provide to the Commission, and the Commission shall provide to the Owner, a certificate of insurance or proof of self-insurance coverage as evidence of its continuing ability to meet the obligation established in this Paragraph, and both shall maintain such coverage at all times.

8. This Easement Agreement shall constitute and stand in the place of all Owner permits required by the Commission or its contractor to construct, furnish, install, own, operate, maintain, test, inspect, repair, remove, or replace the Metering Station at, in, under, and upon the Metering Station Easement Premises, and the Owner hereby agrees to execute any and all additional documents, approvals, waivers, or consents, if any, that may be reasonably necessary for the Commission to secure any permits required from any county, state, or federal agency for or in connection with constructing, furnishing, installing, owning, operating, maintaining, testing, inspecting, repairing, removing, or replacing the Metering Station.

9. In the event that DuPage County Contract is terminated without renewal with respect to the Customer, the Commission shall, within 90 days execute and deliver to the Owner an appropriate document evidencing the termination of this Easement Agreement and releasing the easement rights hereby granted. The Commission shall, within said 90 day period, and at the Customer's expense, remove the Metering Station from the Metering Station Easement Premises. If the Commission fails to remove the Metering Station, as aforesaid, the Owner may take title to the Metering Station.

In the event the Owner's or the Commission's legal interest in or legal authority concerning the use of the Easement Premises for the Metering Station in the manner provided in the Easement Agreement is, for any reason, terminated or deemed or interpreted to be invalid, insufficient or nonexistent, the Commission shall remove the Metering Station from the Easement Premises at the Customer's sole cost and expense.

10. All rights, title, and privileges herein granted, including all benefits and burdens, shall run with the land and shall be binding upon and inure to the benefit of the parties hereto and their respective grantees, successors, assigns, and legal representatives.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their proper representatives duly authorized to execute the same.
