

CITY OF DARIEN

In the County of DuPage and the State of Illinois

Incorporated 1969

March 22, 2004

Mr. Greg Wilcox, Chairman
DuPage Water Commission/
Engineering Committee
421 County Farm Road
Wheaton, IL 60187

Dear Mr. Wilcox,

I wanted to thank you in advance, as Chairman of the Engineering Committee for the DuPage Water Commission, for bringing the issue of the damaged storm sewer to your Committee for resolution. As you will see from the attached correspondence, this issue was forwarded to the Water Commission in the Fall of 2001. After contact was made by the City of Darien to the DuPage Water Commission, the commission staff ensured us that the storm-sewer that was damaged by the DuPage Water Commission contractor would be repaired.

Since I started my position with the City of Darien in the summer of 2002, I also had numerous contacts with the DuPage County Water Commission staff, insurance representative, and consultants. I was advised that this matter was being discussed by the commission. I was also advised this matter would be dealt with to the satisfaction of the City of Darien. Mr. Ed Nawrocki had even stated that the DuPage Water Commission was reviewing the recommended repairs from its Consulting Engineer and would have the repairs done quickly.

Once again, on behalf of the City of Darien I request your assistance in resolving this matter. If you would like any additional information or would like me to attend a DuPage Water Commission Meeting, please feel free to contact me at (630) 852-5000, x211.

Respectfully,

CITY OF DARIEN

Bryon D. Vana
Administrator

Enc.

CITY OF DARIEN

In the County of DuPage and the State of Illinois

November 20, 2001

Mr. Robert Martin
DuPage Water Commission
600 East Butterfield Road
Elmhurst, Illinois 60120-4642

Dear Robert:

In August, our City Engineer contacted you about damage to a City stormsewer under Plainfield Road, east of Clarendon Hills Road, caused by a contractor for the DuPage Water Commission. A copy of the videotape of that damage was provided to you. We also described the circumstances of our discovery of this damage, specifically relating to the amount of gravel (road base) removed from the stormsewer.

Since that time, despite repeated phone calls by our Engineer and Water Department staff, the Commission has done nothing.

Please contact me before 5:00 p.m., Monday, December 3, with a plan for the Commission to complete repairs to this stormsewer. If I do not hear from you by that time, I will request the Darien City Council authorize the City Attorney to begin legal proceedings against the Commission to accomplish the needed repairs.

Sincerely,

CITY OF DARIEN

Rick O. Curneal
City Administrator

RE: Insured: Du Page Water Commission
Policy Number: XPL 1495535-02 (eff. 11/01/00 - 11/01/01)
Date of Loss: 08/01/01
Claimant: City of Darien
Claim Number: 110-01-05932

Dear Mr. Skiba:

As there apparently has been no activity on this claim, Insurance Company of the West will close its file. Please advise us immediately should any activity occur in this file, or should the Du Page Water Commission or any of its agents or employees be served with a Summons & Complaint regarding the above-referenced claim.

If you have any questions, please contact the undersigned.

Sincerely,

James S. Goodman
